

(完全按应试教学法，带你高分带你飞)

我们学每一节课的目的是为了数月后在考研的考场上能够做题猛，否则我们的努力就成了“以考研的名义”自残。

In the face of whatever difficulties on the way to success, we should by no means retreat.

The divorced persons are commonly viewed with disapproval, leading to a low divorce rate.

After choosing a likely spouse, the family of the young male then arrange the marriage negotiations.

A gender prejudice shows up when it comes to remarriage for divorced persons, in that a divorced female must wait ten months before she can remarry, whereas a divorced male doesn't have a waiting period at all.

Traditional wedding is a long and colorful affair, involving ritual hair cutting, tying cotton thread around the bride's and groom's wrists, and passing a candle around a circle of couples to bless the newlyweds.

A young woman could not decide on a spouse on her own, since Chinese parents in earlier eras gave their children little to say in the selection. Once the parents made the choice of a spouse, the girl couldn't veto.

宝宝们，测试的目的是为了让大家巩固所学，并发现问题。做题过程中的查书、查笔记、冥思苦想，都是提高的过程。
